

Fire Awareness - E-Learning

Course Aim

This e-learning course is cost-effective and easy to set up, making it an ideal way to help your organisation comply with current legislation. With thousands of companies across the UK already using this training course, this best-seller is a crucial course for all organisations.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Who Should Attend?

No matter what working environment your organisation operates in, it is a legal requirement that all staff complete Fire Awareness Training. This course is designed to cover any sector and aim to ensure delegates have an awareness in the basics of fire, how to keep their workplace safe and how to work towards compliance with current legislation.

Course Duration

This is a 30 minute course.

Agenda

The course modules cover:

- The Nature of Fire
- Fire Signage
- Fire Hazards
- Emergency Procedure
- Portable Fire Extinguishers

Certification

Delegates will receive a HSS printable certificate in Fire Awareness upon completion of the course.

This course is approved and accredited by IOSH.
