

Confidence Building Training - E-Learning

Course Aim

This e-learning course on Confidence Building aims to help delegates understand the positive effects confidence can have at work and provide tools to improve their own confidence.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Agenda

The course modules cover:

- What is confidence?
- Boost your confidence
