

CITB - Site Supervision Safety Training Scheme Refresher (SSSTS)

Course Aim

This course will provide delegates with improved and refreshed knowledge of recent developments in construction, legislation and health, safety, welfare and environmental issues. It will also allow delegates to identify measures which will assist the practical implementation of responsibilities established by new legislation and working practices.

Who Should Attend?

Delegates who have previously attended and successfully passed the two day Site Supervision Safety Training Scheme (SSSTS).

Only those delegates who hold an existing Site Supervision certificate and can provide evidence before attending the course are eligible to attend the refresher course.

Please Note: The minimum age of attendance for this course is 16 years old, however delegates who are under the age of 18 must bring a completed parental consent form to the first day of the training course.

Course Duration

This is a 1 day course.

Individual written test with explanation of pass requirements.

CITB - Site Supervision Safety Training Scheme Refresher (SSSTS)

Certification

Assessment

The paper consists of 22 multiple choice questions and three short written questions. There are four safety critical questions in each exam paper, the delegate must answer all four of these questions correctly to pass the exam.

The examination pass mark is 80% (24 out of 30). The examination lasts for 30 minutes and delegates are permitted to use the provided CITB publication for the last 10 minutes of the exam.

Certification

Delegates successfully completing the course will receive a CITB Site Supervision Safety Training Scheme (SSSTS) certificate valid for five years.

Please note, CITB no longer produce physical certificates, all certificates are produced digitally and sent to the booker of the course within 28 working days of the end of the course.
