

CITB - Health & Safety Awareness (HSA)

Course Aim

This CITB accredited course provide delegates with a practical summary of health and safety, welfare and environmental issues.

Delegates will also be given the knowledge to identify individual responsibilities for looking after themselves and others, what the employer's duties are and what should be done if anyone's health and safety is being put at risk.

Who Should Attend?

Delegates who have entered, or are about to enter, the construction and civil engineering industry as a member of the workforce.

Please Note: The minimum age of attendance for this course is 16 years old, however delegates who are **under the age of 18** must bring a completed parental consent form to the first day of the training course.

Certification

The multiple-choice question paper consists of 25 multiple-choice questions: 20 questions are worth one mark each and 5 questions are worth two marks each.

The delegates must obtain 25 marks out of 30 (83%) or more in order to pass the examination.

The examination lasts 30 minutes and must be completed within this time. This is a closed book exam.

Delegates successfully completing the course will receive a CITB Health & Safety Awareness certificate valid for five years.

Please note, CITB no longer produce physical certificates, all certificates are produced digitally and sent to the booker of the course within 28 working days of the end of the course.

Agenda

The course aims to ensure that individual responsibilities are understood, covering:

- Why they are carrying out their identified duties
- What is expected of them
- Contributing to the safety of the workplace

At the end of the course Delegates will be able to:

- Understand the need to prevent accidents
- Have an understanding of health and safety law
- Identify how their role fits into the control and management of the site
- Understand the need for risk assessments and method statements
- Appreciate the need to perform safely and to stop and ask for advice if not sure
- Report unsafe acts to prevent an accident

Theory Test

- Individual written test with explanation of pass requirements.

Course Duration

This is a 1 day course.
