

# CITB - Site Supervision Safety Training Scheme (SSSTS)

## Course Aim

This industry leading course will provide delegates with Site Supervisory responsibilities with the knowledge required to give valuable assistance in safely managing a construction site.

## Certification

### Assessment

The paper consists of 22 multiple choice questions and three short written questions. There are four safety critical questions in each exam paper, the delegate must answer all four of these questions correctly to pass the exam.

The examination pass mark is 80% (24 out of 30). The examination lasts for 30 minutes and delegates are permitted to use the provided CITB publication for the last 10 minutes of the exam.

### Certification

Delegates successfully completing the course will receive a CITB Site Supervision Safety Training Scheme (SSSTS) certificate valid for five years.

Please note, CITB no longer produce physical certificates, all certificates are produced digitally and sent to the booker of the course within 28 working days of the end of the course.

## Course Duration

This is a 2 day course.

## Agenda

- Health & Safety law
- Developing a Health and Safety management system
